### Recommended Personal Protective Equipment

The items below can be picked up at your campus Product Distribution Center:

Lab coat

Chemical splash goggles

Safety glasses

Contact your PI or Responsible Person or local EH&S Department to receive the items below:

Full-length pants or equivalent

Closed toe/heel shoes

#### Notes:

- Under UC Policy, full length pants (or equivalent) and closed-toed/closed-heel shoes must be worn at all times by all individuals who are occupying or entering a laboratory or technical area.
- In all cases, chemical splash goggles can be substituted for safety glasses and provide a higher level of protection when working with large quantities of material. For splash or impact protection, either chemical splash goggles or safety glasses need to be worn under face shields.
